Re: Visit to the Court of Justice from 25/11/2019 to 26/11/2019 - Vis/628-2019/pgm - Programme

Please find enclosed the programme for your visit to the Court of Justice.

Would you kindly take into account the serious difficulties regarding the traffic in Luxembourg which can be encountered in the mornings, ensuring that you can arrive on time and respect the programme for your visit in its entirety. If you would like to make any changes to the running of the programme which has been set out, please contact the Visits service beforehand or inform the guide on the day itself, whose telephone number can be found on the programme.

We draw your attention to the fact that after the 10th of September 2018, the groups of visitors will gain access to the buildings of the Court from the street Charles-Léon Hammes. As this street is a dead end, visitors will have to reach it on foot.

Kindly make sure to verify the entrance indicated in your programme, as well as the attached street map. It includes information regarding public transportation and the bus stop that may be used to briefly discharge the visitors, should you arrive by coach. No parking area will be provided for personal vehicles.

Due to the security measures, only those persons notified will gain access to the buildings.

We look forward to welcoming you to the Court.

Yours sincerely,

Court of Justice of the European Union
