Objective

The conference aims to keep restructuring and insolvency practitioners up to date by providing an overview of the latest case law, legislative initiatives and policy developments in this area.

This conference will focus on access to and enforcement of digital assets and the treatment of digital assets as part of the insolvency estate.

In addition, there will be a debate on different restructuring schemes in Europe, a report from Brussels on the state of play of new legislative initiatives and a case law review of recent CJEU judgments on cross-border insolvency proceedings.

Who should attend?

Lawyers practising in the field of restructuring and insolvency law, insolvency administrators, judges, academics and researchers.

CPD

ERA's programmes meet the standard requirements for recognition as Continuing Professional Development (CPD). Participation in the full programme of this event corresponds to **7 CPD hours**.

To obtain a certificate of participation for CPD purposes with indication of the number of training hours completed, participants must allow for their participation to be tracked. CPD certificates must be requested at the latest 14 days after the event, after which the participation records will be deleted for data protection purposes.

Interactive online seminar

The seminar will be hosted on the Zoom videoconferencing platform. The highest security settings will be applied. You will be able to interact immediately and directly with our top-level speakers and other participants. We will make the most of the technical tools available to deliver an intensive, interactive experience.
